The image features three spherical pendant lights hanging from black cords in front of a rustic, multi-paned window frame. The lights are made of translucent material with vertical ridges. One is orange, one is green, and one is a lighter orange. Each contains a glowing filament bulb. Behind the window, several indoor plants are visible, including a large-leafed plant and a palm-like plant. The scene is brightly lit, suggesting natural light from the window. At the bottom, the top of a light-colored sofa with a textured, fringed pillow is visible.
